RELEASE OF INFORMATION TO THE MILITARY

Dear Parent/Guardian:

Our district receives funds from the federal government under the *No Child Left Behind Act of 2001*. These funds are used in a variety of ways to provide additional help to students in greatest academic need. The law also requires that districts receiving these funds must, upon request, provide to military recruiters, access to the names, addresses and telephone listings of secondary students.

It is important for you to know that a secondary school student or his/her parent or guardian may request that the student's name, address, and telephone number **not** be released by the district *without prior written parental consent*. If you would like to make such a request, please complete the following and return it to your child's school.

Parent or Guardian: Please complete this section and return the entire form to your child's school

I am aware the district must provide access to military recruiters a list of student names, addresses and telephone numbers. I am aware the district will provide this information upon request, unless I require that such information not be given to the following *without prior written parental consent*:
